Guidelines for Development of Program Proposals:

• Please take into account the goals on the sentence strips
• Please think creatively and remember our parameters

• Please create 2 or 3 potential program proposals. Please use one post-it per course. Write the course name (i.e. Teaching Elementary Reading) on the post-it. Place your post-its on the foam display board. Organize your ideas however you think works best!
• Based on what I heard from our team, we want to create a couple of options, possibly three, to share with the remainder of the department for feedback.
• We want to have our options ready for the end of the work session on Tuesday, July 18, so that we can share the ideas with our buddies, gather their input, and bring it back to the team on Tuesday, July 25.

• Other?:
